

Hellenic Tzilalis
ΥΠΗΡΕΣΙΕΣ & ΤΕΧΝΟΛΟΓΙΕΣ ΠΕΡΙΒΑΛΛΟΝΤΟΣ

(Cyprus) Ltd

Hellenic Tzilalis (Cyprus) Ltd offers a range of waste management services, which include the collection and sorting, processing and final disposal of waste. Waste collection is done by our company with the use of skip waste vehicles, hook loaders or garbage collection vehicles and the use of specialized equipment such as press containers, roll on roll of containers, and skips.

Today the company services regularly a number of large and medium size industrial and commercial companies, local authorities and public institutions. The efficiency of its services played a key reason to operate as a leading waste management contractor in Cyprus.

Our services include:

- Municipal waste
- Industrial waste
- Construction Waste
- Recyclables
- Other
